IT'S TIME FOR
THE
ARTS
FESTIVAL!

FRIDAY, APRIL 12TH
THROUGH
SATURDAY, APRIL 20TH

Macy Grisin

ARTS FEST 2024

Solebury School celebrates the Arts with its week-long Arts Festival

every year. The art show in Abbe and various performances bring the community together in a celebration of both the performing and the visual arts. Throughout the week, special art activities are scheduled for students and faculty. Students enjoy theatrical and musical performances by well known artists. Professional artists, musicians, and performers are invited to offer workshops in their crafts during the week. Several art students over the years have also run their own workshops in the various arts. We hope you will attend both the performance events as well as the workshops and enjoy the weeklong immersion in the arts here at Solebury School.
